Let's Start!

Let's review!

Learning Outcome

Accurately use information about people, their likes and dislikes, homes or countries in communicative situations.

Ask your partner:

- What are some good things about shopping?
- What are some bad things?

Can Do Statements

- I can talk about different types of stores.
- I can talk about clothing and accessories.
- I can talk about parts of the body.
- I can ask where places are.

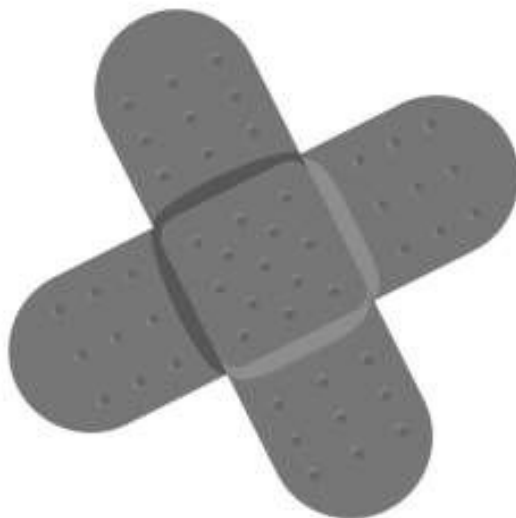

Let's Explore!

Sally and Vanessa go to the pharmacy where the **Band-Aids*** are **cheap****!

* "Band-Aids" are adhesive bandages for minor cuts on the skin.

** The opposite of "cheap" is *expensive*.

Instructions: Read the text aloud.

Sally: Where's the pharmacy?

Vanessa: Oh look, it's over there, down the hall.

Sally: Oh great! Let's go to the pharmacy now.

Vanessa: Sure.

Sally: I'm getting some cream and some Band-Aids for the blisters on my foot.

Vanessa: I have blisters on my hands from carrying these bags! But I love my new dress and blouse.

Sally: I need something for my head too. I have a headache.

Vanessa: Oh, that's too bad.

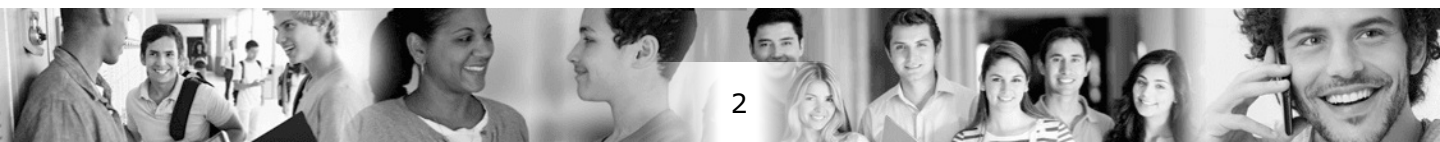

Sally: Pardon me ... Can you tell me where the skin care section is, please?

Clerk: Sure. Just go down to the end of this aisle. It's on the left-hand side.

Sally: I'm looking for Band-Aids. How much are they?

Clerk: They're reduced to \$7.99 for a box of 50.

Sally: Oh, that's cheap!

Let's Practice!

Sally and Vanessa are shopping. What can they buy at each store?

Instructions: Select the correct answer.

1. Select the sentence that could be true.
 - a. Sally buys milk and bread at a butcher's shop.
 - b. Vanessa buys clothes at a pharmacy.
 - c. Sally buys shoes at a department store.
2. Where can Sally buy Band-Aids?
 - a. The shoe store
 - b. The pharmacy
